STATEMENT UNDER 37 CFR § 1.97 and
§ 1.98

Commissioner for Patents
Washington, D.C. 20231

Sir:

The references cited on attached form PTO-1449 are being called to the attention of the Examiner. Copies of the non-US patent references are enclosed. Pursuant to 37 CFR 1.98, copies of US patents and published applications are not enclosed because the application was filed after June 30, 2003. It is respectfully requested that the cited information be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue therefrom.

As provided for by 37 CFR 1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no

representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information.
